Re: Inacom Corp. v. Aqua Systems, Inc., et al
Case No. 04-604 (GMS)

Dear Judge Sleet:

On March 7, 2005, Plaintiff Inacom Corp. et al. and Defendant Aqua Systems, Inc. and Aqua Systems USA, Inc. (the "Parties") reached a consensual resolution of the case. Counsel for the Parties jointly notified the Court on that same day.

The Parties are now engaged in documenting the settlement. In addition, per the terms of the Debtor's Plan, the settlement must be submitted to the Unsecured Creditor's Committee ("Committee") for objection which was similarly done on March 7, 2005. The members of the Committee will have 5 days to object to the proposed settlement.

In the interim, the parties requested and the Court removed this matter from its trial schedule for March 14, 2005, and scheduled a telephonic status conference for Wednesday, April 6, 2005, at 2:00 p.m. The Court was amenable to scheduling a new trial date for April 18, 2005, in case the parties are unable to finalize the settlement.

Once the settlement is finalized, counsel for the Plaintiff will contact chambers immediately to notify Your Honor that the above-requested dates will no longer be required and will promptly file a stipulation of dismissal.
